# Challenge 5: Fairytale friendship

Step 1: Look at the map. Who lives here? How could you get from place to place on this map?

Step 2: Blue-bot wants to visit some of his fairytale friends. Can you help?

Blue-bot wants to have breakfast with Jack in the Beanstalk and lunch with the pig that lives in the straw house. After that he wants to go back home.

- Plan your program a few steps at a time
- Test it. Does it work?
- Add more steps or clear the program and start again.

Other ideas for the classroom
- Use several Bluebots to tell the story of the 3 little pigs. Dress up the Bluebots to represent different characters in the story.
- Write letters for the fairytale characters and address the envelope using their position along Fairytale Lane. Have bluebot the postman deliver the letters to the correct address.
